

Miniature Mask Instructions – Comedy and Tragedy Masks

Reproduce these Miniature Mask Designs on the paper of your choice.

To make your Miniature Masks:

Masks: (Follow these instructions to create the masks.)

1. Fold the masks on the marks indicated above and below the basic shapes.
2. Cut out the basic shapes and noses.
3. Cut out the mouth openings from the fold.
4. Open each mask; fold the brow over the base and crease at the top of the head.
5. Re-crease the centerfold so that both the base and the brow sections of both masks are in a mountain fold.
6. Glue the corners of the brows.

Features and Decorations: (Use the other templates to create the other features.)

1. Noses – Crease; glue in place.
2. Eyes – Make up our own shapes for eyeballs, irises, and pupils. Glue in place.
3. Decorate with ribbons or make your own paper ribbons by cutting thin strips of paper.
