

Miniature Mask Instructions – Lion Mask

Reproduce the Miniature Mask Design in the paper of your choice.

To make your Miniature Mask:

Mask: (Follow these instructions to create the mask.)

1. Fold the mask on the marks indicated above and below the head and nose shapes.
2. Cut out the mask.
3. Open the mask; fold the brow and muzzle over the base and crease at the top of the head.
4. Re-crease the centerfold so that both the base and the brow sections of the mask are in a mountain fold.
6. Glue the corners of the brow.

Features and Decorations: (Use the other templates to create the other features.)

1. Nose – Cut out the nose and glue in place.
2. Mane – fold the mane, lower jaw and nose tip on the marks indicated above and below the shapes. Cut out the mane and glue lion head in place.
3. Nose Tip – Cut out nose tip and glue in place at bottom of nose.
4. Lower Jaw – Cut out lower jaw and glue in place under the muzzle at the base of the nose.
5. Eyes – Make up your own shapes for eyeballs, irises and pupils. Glue in place.
6. Whiskers - Cut whiskers from a folded piece of paper. Glue in place.
7. Mane Hair – Add hair to the mane as desired.
